

Hair by RevitaLash® is a remarkable cosmetic breakthrough that conditions and fortifies for thicker, fuller looking hair. Within four to eight weeks of daily application, Hair by RevitaLash® enhances the appearance of thin, fragile looking hair. It is important to be consistent and use it daily.

Directions:

- 1. Remove safety seal. Remove cap. Pump the bottle a few times to release air, until the foam appears from the pump.**
- 2. After cleansing hair with shampoo, release small amount of foam onto your fingertips.**
- 3. Massage the product into the hair in those areas where you want the hair to appear thicker and fuller.**
- 4. This product is a leave-in conditioner – do not rinse**
- 5. Let Hair dry and style as desired**

Please note: Only a small amount of Hair by RevitaLash® is needed for maximum results
